

Spear Assistant Coach

CITIZEN

Citizen Church, launched in 2020, is a Church in Wales church with three campuses in South Wales, and part of the Holy Trinity Brompton network. Citizen's vision is to play its part in the evangelisation of the nation, the revitalisation of the church and the transformation of society. Their mission is to break the stereotypes of church, to breach loneliness, to bring people home and to build the kingdom in Cardiff, Wales and beyond.

Citizen has partnered with Resurgo to deliver the Spear programme in the heart of South Wales. They are looking for a new Assistant Coach, to work alongside the Centre Manager, as part of the team at Citizen Church to deliver the Spear Programme, equipping and empowering unemployed 16–24 year olds to overcome barriers to employment and turn their lives around by moving into sustainable work or further education.

CITIZEN

This is a part-time, dynamic opportunity to develop coaching and leadership skills whilst bringing about social transformation in the local community as a powerful expression of the Christian life.

- As a confident communicator, you will lead group sessions of around 10 young people, using coaching skills to transform attitudes to their own ability and the workplace, and to raise their awareness and maximise potential in stepping into the world of work.

supporting them to stay in work and progress.

External Relationship-Building

- Purposefully build relationships with relevant professionals at local organisations
- Communicate directly with young people to encourage referrals onto the Spear programme, and think creatively about ways of building the profile of Spear locally, ensuring as many local young people as possible who would benefit have the chance to take part, and maximising the available spaces on the pilot programme.
- Proactively explore organisations to partner with and confidently build a local network.

Intentional Church Community

- Spear Coaches are directly employed by the partner church at which their Centre is based, meaning you're part of a vibrant church staff team and submerged in an exciting faith community, whilst remaining robustly supported.
- Support the centre manager in building a strong and committed network of

supporters in the partner church to help source employment, funding and volunteer opportunities for Spear.

What will you gain?
