Forest of Dean Location

JOB APPLICATION PACK

Thank you so much for your interest in joining Sportily as a **Sport and Faith Leader in our West Zone (Forest of Dean location)**. This information pack provides information about this exciting role, plus some further background to Sportily.

The role itself involves coordinating and being involved in the delivery of our work in the Forest of Dean and leading the Sport and Faith Team in the West Zone which is coterminous with the Forest of Dean location.

You'll be supported in your role by a peer group of four other Sport and Faith Zone leaders and the Sportily Leadership and Support Teams.

Introducing Sportily

Fluff it. Duff it. Score it. Smash it. Whatever you do, just give it a go. That's our motto for sport and for life. We're for jumping right in and going on new adventures together, as a team. We are a place for children, young people and their families to try different sports, make new friends and explore what life is all about. So, we do all sorts of sports and activities, some you'll know, some you might not (heard of Kabaddi?), we hang out, we chat, we eat and we discover new things. What matters is we have a laugh while doing it.

We believe that being more active, like the Christian faith, can change your life forever. And so we're here to get everyone moving and show that things are a lot more fun when we're kicking, diving, riding, rolling, running and jumping around together.

We're passionate about building a network of fun-loving sport and faith groups where everyone is invited to try different sports, make new friends and explore what life is all about.

We're also passionate about seeing new Christian communities emerge from the work we are going connecting with children, young people and their families who are not part of the traditional church. This is exciting, challenging and pioneering.

Will you join our team?

If you have questions about Sportily or this role, what it might look like and how we might see it being successfully fulfilled, please contact us as we'd love to explore this in conversation with you. Equally, if the role excites you, but the location isn't right, please get in touch to discuss similar vacancies elsewhere in Gloucestershire.

Sportily believes in the transformative 'power of sport' and active lifestyles and recognises that sport and physical activity are a positive way to build integrated communities and help address societal issues such as poor health and wellbeing, social isolation and loneliness delivering holistically healthier futures for all, whilst also providing opportunities for exploring the Christian faith.

Sportily uses the word 'sport' to encompass all forms of physical activity, which aim at expressing or improving physical fitness, mental wellbeing and the formation of social relationships.

The charity is ecumenical and run in partnership with the Church of England in the region, providing opportunities open to all – “**Run by Christians, Open to all**”. You do not need to be a member of a Church of England church to work with us. Our network of Sportily Sport and Faith Coaches and Leaders work using our 7 spaces framework, leading sports clubs, residential camps, coaching a variety of sport teams and providing high quality PE lessons, through partnerships with primary and secondary schools. We play sports and invite people to talk about life and explore the Christian faith.

We are striving to see:

- Children and young people’s lives, and their communities transformed through sport and physical activity;
- Leadership gifts and vocational calling identified, nurtured and invested in;
- People of all ages, invited to explore and encounter the Christian faith;
- New expressions of church established, for the younger generations, with sport and physical activity at their core.

Within this Sportily is committed to providing the best quality sports coaching and education, with fun and joy being at the heart of all the sessions. ‘We bring the energy that gets you moving’

Sportily is committed to increasing the diversity of participation in sport and physical activity along with recruiting and developing a team that reflects the communities we serve.

We welcome applications from all sections of the community and actively encourage applications from women and people from UK Minority Ethnic backgrounds who are currently under-represented in the organisation.

Introducing the role

We are looking for someone with a passion for engaging with children, young people and families through sport and physical activities and who is excited by our vision and what we do.

The role consists of two core elements:

Sport and Faith Leader for Forest of Dean

Holding responsibility for delivery of our vision across the Forest of Dean, coordinating and being involved in the delivery of the programme, liaising with schools, ensuring a quality of delivery is maintained and managing key stakeholder relationships.

West Zone Leader

Supporting and managing as a ‘peer practitioner’, Sport and Faith Coaches, Apprentices and Sessional Workers as they deliver the Sportily vision in the location. The team includes: Sport and Faith Coach (0.4, rising to 0.8), 2x Level 4 Apprentices (one new in post, one 12 months in post) and 4 Sessional Workers with established working patterns.

What you'll do

Sport and Faith Leader for our Forest of Dean location

We've been active in the Forest of Dean since 2021 delivering a wide range of exciting sports ministry in partnership with local schools, churches and other organisations. This has included: ActiveTots sessions, ActiveRE, holiday sports camps, afterschool clubs, youth sports clubs, residential trips, a fresh expression of church called Family Feast, Holiday Activity and Food (HAF sessions), a 5k running event, activities at Viney Hill Christian Adventure Centre and a new netball group.

Our work in the Forest includes a Sessional Worker who delivers weekly ActiveTots groups, a brand new, school based Wraparound Care project and a commission from the Diocese to deliver missional activity in Coleford.

Building on the foundations which have been laid you'll coordinate the continued running of a programme of activity across the Forest of Dean, get hands on with the delivery of some sessions and maintain stakeholder relationships.

Within the role you'll be hands on developing and delivering a diverse and exciting programme of sport and physical activity sessions to meet local need. 'Experiment widely' is our current philosophy as we #Giveitago together.

West Zone Leader

Sportily operates in five geographical zones, each Zone lead by a Sport and Faith Leader.

As leader in the West Zone you will support and manage as a 'peer practitioner', Sport and Faith Coaches working in the zone, as well as Sessional Workers and Sports Coach Apprentices. Through this you'll foster the sense of localised team within the West Zone and be the link between the Leadership Team and the Sport and Faith Team in the West Zone.

You'll work with the team members here to support them in developing their delivery programmes and ensure that they are suitably equipped and supported in their roles.

We understand that a multifaceted role can seem daunting, especially when laid out like this. We want to reassure you that our expectations are realistic, we are not looking for a super-human who will work every hour of every day, and that you'll be working as part of a supportive team which will ensure you have sufficient time and resources to make a tangible difference across all three areas of the role, without feeling burnt out and stretched too thin.

We are looking for someone who loves to use sport to connect with people and is passionate about sharing the Christian faith in innovative ways beyond the walls of traditional church. You'll be someone who brings the energy that gets people moving and approach everything you do with a fantastic sense of fun. You'll be committed to investing in, supporting and developing individuals within a team. You'll work hard, but thrive off seeing things develop and grow, and seeing children

and young people enjoying being active, learning new skills and creatively encountering Jesus Christ through sport and physical activity.

We know that when people read Job Descriptions, they can sometimes downplay to themselves their own abilities, skills and experience and therefore choose not to apply. Perhaps you're thinking that this sounds like a really exciting role, but you're not sure you have the skills and experience we're looking for. If that's you, please get in touch for an informal chat about the role. Tell us what your strengths are, be honest about where you feel you may be lacking in experience or training, and if you are the right person to join us we can work together to invest in you and all that you can bring to Team Sportily. If you're excited by the job, please don't be put off applying or making contact, we really would love to hear from you.

How we'll support you

We are proud to provide excellent opportunities for everyone who serves with us as employees and volunteers, investing in training and development and doing all that we can to ensure everyone in our team is able to use fully utilise their gifts, skills and potential.

We run an ongoing programme of training and development which includes accredited sports training options and pioneering ministry. We also invite all employees to identify training and development needs specific to them.

You'll be supported in your role by Richard Witham (Co-CEO) who will be your Line Manager, the Leadership Team and the Support Team which includes admin staff and our Marketing and Communications Officer, as well as local ministers and congregations. You'll also work with a fantastic team of local volunteers, as well as employees, partners, local Christians, and workers from elsewhere in the network – we serve together as 'Team Sportily', no one is left to feel isolated.

Sportily locations provide the context through which the Christian faith can be explored, fullness of life experienced and new worshipping communities emerge, centred around sport and physical activity, within our seven spaces framework.

Sportily's impact strategy centres around a belief in the transformative power of physical activity and the Christian Faith to bring holistic health, wellbeing and fullness of life to individuals of all ages and entire communities.

The Sportily seven spaces model is drawn from and inspired by George Lings: Seven Sacred Spaces, Church Army 2015. Our framework for the establishing of new worshipping communities is also inspired by Brian Sanders' work on Micorchurches.
