JOB APPLICATION PACK

Thank you so much for your interest in joining Sportily as a Sport and Faith Coach in our Gloucester City location. This information pack provides information about the role, plus some further background to Sportily.

Introducing Sportily

Fluff it. Duff it. Score it. Smash it. Whatever you do, just give it a go. That's our motto for sport and for life. We're for jumping right in and going on new adventures together, as a team. We are a place for everyone to try different sports, make new friends and explore what life is all about. So we do all sorts of sports and activities, some you'll know, some you might not (heard of Kabaddi?), we hang out, we chat, we eat and we discover new things. What matters is we have a laugh while doing it.

We believe that being more active, like the Christian faith, can change your life forever. And so we're here to get everyone moving and show that things are a lot more fun when we're kicking, diving, riding, rolling, running and jumping around together.

We're passionate about building a network of fun-loving sport and Christian faith groups where everyone is invited to try different sports, make new friends and explore what life is all about.

Will you join our team?

If you have questions about Sportily or this role, what it might look like and how we might see it being successfully fulfilled, please contact us as we'd love to explore this in conversation with you.

Sportily believes in the transformative 'power of sport' and active lifestyles and recognises that sport and physical activity are a positive way to build integrated communities and help address societal issues such as poor health and wellbeing, social isolation and loneliness delivering holistically healthier futures for all, whilst also providing opportunities for exploring the Christian faith.

Sportily uses the word 'sport' to encompass all forms of physical activity, which aim at expressing or improving physical fitness, mental wellbeing and the formation of social relationships.

The charity is ecumenical and run in partnership with the Church of England in the region, providing opportunities open to all – “**Run by Christians, Open to all**”. You do not need to be a member of a Church of England church to work with us.

Our network of Sportily Sport and Faith Coaches and Leaders work using our 7 spaces framework (See appendix 1), leading sports clubs, residential camps, coaching a variety of sport teams and providing high quality PE lessons, through partnerships with primary and secondary schools. We play sports and invite people to talk about life and explore the Christian faith.

We are striving to see:

- Children and young people’s lives, and their communities transformed through sport and physical activity;
- Leadership gifts and vocational calling identified, nurtured and invested in;
- People of all ages, invited to explore and encounter the Christian faith;
- New expressions of church established, for the younger generations, with sport and physical activity at their core.

Within this Sportily is committed to providing the best quality sports coaching and education, with fun and joy being at the heart of all the sessions. ‘We bring the energy that gets you moving’

Sportily is committed to increasing the diversity of participation in sport and physical activity along with recruiting and developing a team that reflects the communities we serve.

We welcome applications from all sections of the community and particularly encourage applications from women and people from UK Minority Ethnic backgrounds who are currently under-represented in the organisation. We are also especially keen that our programme engages well with those from UKME groups and wish to prioritise this within its development and delivery.

Introducing the role

We are looking for someone with a passion for engaging with children, young people and families through sport and physical activities who is excited by our vision and what we do.

We are looking for someone with experience of working in inner city, diverse communities where we know the barriers to sport and exercise are the greatest.

The core of the role is to develop and deliver our work with a focus on sports work with children and young people in Gloucester City.

This will be rooted in the Coney Hill, Barton and Tredworth, Hucclecote Brockworth area in the east of the City where we have been undertaking pilot work and developed strong opportunities for growth, but this may also expand or change as the work develops and through newly arising opportunities. We are looking for applications from people who have experience working with communities that are similar to these. Finally, around one day a week will be supporting our ongoing work in Hunts Grove.
