Interviews: By negotiation

Start Date: By negotiation

Stanton House is a small friendly Christian retreat house near Oxford providing warm hospitality to all who visit. We offer space for rest, restoration, renewal, and the opportunity to draw closer to God. We are currently enjoying a new, and exciting phase at the house and are seeking passionate and exceptional Team Members to join us.

Aims of Stanton House

We aim to keep biblical hospitality at the heart of our community; welcoming the stranger as family by demonstrating the love of Jesus through our willingness to put others before ourselves. Our resident community members are an essential part of the welcome we offer as we seek to love and serve our guests in all that we do. For team members, Stanton House is a place to grow together spiritually building a house of prayer and serving both people, and God, through community life.

The roles

Due to the nature of our staff accommodation, we are looking for a domestic couple who will work together to fulfil a practical role in our community. Although team members are expected to share responsibilities for all areas in the house and grounds, we are looking for people who will explicitly help by contributing to housekeeping, administration, and kitchen tasks. The list of tasks and responsibilities are not exhaustive and are subject to change at the discretion of the Trustees and the House Warden.

Team Benefits

- A monthly allowance of £700 per person plus rent-free accommodation – including council tax, utilities, tv licence and Wi-Fi
- Shared meals
- 20 days paid leave per year plus 15-18 days leave over Christmas and New Year when the House is closed to guests

Any new community member serves a three-month trial period. The notice period for any community member is one month.

Although not essential, we encourage prospective candidates to contact the house for a telephone conversation prior to their final application. Visits are welcome. Please contact the House Warden: michele.birkin@stantonhouse.org.uk or phone the office on 01865 358807 to arrange a convenient time.
