

## OCMS Values Statement:

### OCMS is:

1. **God-Dependent, Christ-Centred, Spirit-Empowered:** we are centred on worship, prayer and the Word of God that shape our calling to sacrificial service
2. **Globally connected:** we seek to embrace diverse expressions of the Body of Christ in companionship and collaboration
3. **Hospitable:** we aspire to be an open, humble and welcoming community that champions voices less heard
4. **Pursuing excellence:** we seek God's wisdom to be the best we can as an organisation and in the curiosity and rigour of our research and scholarship
5. **Transformational:** pioneering and prophetic, and ready to be challenged ourselves, we seek to be and to nurture agents of change at the cutting edges of God's mission.
