INTRODUCTION

Thank you for your interest in the Family Support Manager (Grimsby, North East Lincolnshire) post. This information pack outlines the role and provides information about Safe Families and Home for Good.

SEEING CHILDREN & FAMILIES FLOURISH

At Safe Families and Home for Good, we have a vision rooted in hospitality, justice, belonging and collaboration. **Together, we hope for a society where no family feels alone, and every child has a home where they can flourish. We believe the Church is central to this vision.** Through our family support programme, we connect volunteers from local churches and communities with families who are isolated and overwhelmed. These volunteers offer friendship, practical help, and a listening ear – building relationships that restore dignity, reduce pressure, and help families stay together. It's grass-roots, relational, deeply personal and all about creating communities of true welcome and belonging.

At the same time, we walk alongside those exploring fostering, adoption, or supported lodgings - offering guidance, support, connection and advocacy. We want to see more people open their homes to children in care, and more churches equipped to wrap around those who do. Because, when children sadly do need to come into care, they deserve to be welcomed into homes and communities that are safe, stable and full of love.

Alongside delivering practical support, we're committed to systemic change. We take a hopeful, innovative approach, not just calling for change but demonstrating how it can be achieved. By amplifying the voices of children, young people, and families with lived experience we seek to bring transformation to the structures that can lead to families being isolated and children without support. And by

sharing the expertise and knowledge of our teams on the ground through training, courses and resources we ensure all are able to play their part in change.

We believe that deep and lasting transformation can only occur when we collaborate with others and so, through partnering with and equipping local authorities, policymakers, and faith communities, we reimagine what true care and community can look like.

Join us, together we can create a society where no family feels alone, and every child has a home where they can flourish.

TAM'S STORY

Tam had 2 young children when she needed to move into temporary accommodation for and her children's safety. She grew up in care and had no support network but desperately wanted to do the best for her children.

Safe Families were able to put 5 volunteers from 2 local churches around Tam and over a period of 18 months. They all played different roles in helping her gain the confidence she needed to start to thrive.

Peter and Vivienne would help look after the children and became like the grandparents they never had.

Ray and Sue helped Tam find a home and taught her how to look after the garden - they even built a shed together.

Mary would grab shopping for Tam and be someone she could speak to when she needed to connect.

Tam said "They were so supportive. I couldn't ask for more. When you are in a bad place they help make it positive. So you're not on your own."

WHEN VOLUNTEERING OPENS NEW DOORS: ANNABEL'S STORY

Annabel and her husband Justin always hoped for a larger family. Their two sons brought them joy, but the feeling that someone was missing lingered, reinforced one day when her youngest said, 'Mummy, I always feel like someone is missing.'

That moment stayed with her. When friends at church shared their fostering experiences and gave them the Home for Good book, Annabel began to wonder if it could be right for them too.

A presentation at her church from Safe Families gave her a way to explore that possibility without committing straight away. After chatting with the team, her family began volunteering.

They were matched with a mum who had two children. For over a year, Annabel's family cared for the baby every other weekend so his mum could rest and spend time with her older daughter. Her sons embraced it, and Annabel built a strong connection with the mum, staying in touch long after formal support ended.

That experience gave them the confidence to take the next step. Annabel and Justin contacted Home for Good and were supported as they trained and became short-term foster carers for babies and toddlers. It suited their family well, and even brought out a nurturing side in their youngest son they hadn't seen before.

'Once we started foster caring,' shared Annabel, 'Home for Good employed their first worker in Wales where we were based. He was such a support to us.'

He helped them connect with a local network of foster carers and adopters, offering encouragement and shared understanding that made a real difference.

After fostering four children, the time came to step back. The experience had left a lasting mark. Annabel is now training as a social worker and continues to speak up for children in care as a Home for Good Church Champion.
