Application Pack (Autumn 2025)**

About Christian Supply Chain Buying Group UK Ltd

We're more than just a buying group; we're part of a UK wide family committed to strengthening Christian residential ministry.

[CSCBG](#) is wholly owned by [Christian Residential Network \(CRNet\)](#). Together, we serve as a vibrant, non-denominational movement supporting Christian organisations across the UK, and we're connected worldwide with partners in Australia, New Zealand, South Africa and India through our international steering group.

By harnessing the combined purchasing power of our members, CSCBG is able to secure preferential pricing, exclusive discounts and valuable benefits with trusted suppliers. The more members who join in, the stronger our voice and the greater the savings and support we can deliver back into Christian ministry.

Everything we do is rooted in our Christian ethos. CSCBG's trading activity doesn't just reduce costs, it fuels the wider vision of promoting and sustaining Christian residential work here in the UK. The person in this role will help carry that vision, representing our mission and values to members, suppliers and partners. As this role involves leading devotions and spiritual support to staff and members, there is an Occupational Requirement that the post-holder is a practising Christian, able to affirm the CRNet Statement of Faith (see attached).

CRNet, our parent network, is a community of Christian organisations and individuals engaged in residential holidays, camps, conferences and outdoor ministries across the UK. We exist to equip and encourage them, enabling them to thrive in the unique callings God has given them. As one of 27 associations around the world forming part of CCI Worldwide, CRNet connects UK ministries to a truly global fellowship.

Our staff team is small but dedicated – two employed by CRNet (including the Chief Executive, who also works with CSCBG), and two employed solely by CSCBG, including this exciting role.

Hopefully this application pack tells you everything you need to know, but if you would like to arrange an informal conversation with the CEO to discuss this further, please email recruitment@crnet.org.uk.
