### **Overall Purpose of job:**

Ensure Nourish is a safe, collaborative, and inspiring environment aligned with Faithworks' values of being Welcoming, Alongside, Trusted, Empowering, and Resourceful. Ultimate success in this role is 3-fold:

- Making sure every person who walks through the door is valued and supported in the best possible way so that they leave with new hope
- Developing a team of staff, volunteers and partners that all share our values and thus create a place that is safe, welcoming, affirming and hope-filled
- Promoting the larder, foodbank and other support, to be seen as a trusted partner, and a place that people want to support financially, prayerfully and practically

You'll be someone who can relate brilliantly to not only our "guests", but to staff and volunteers and to partners from both churches and statutory organisations. You will also be someone who is "always ready to give a reason for the [Christian] hope that is within them".

5. Promote, build and maintain "mission partnerships" with local churches, ensuring good regular communications, identifying welcome spaces for guests who want to connect with a local community and explore faith further (esp. in surrounding villages); lead services or prayer meetings as needed.
6. Promote our work and strengthen relationships with Partners, helping them understand our work, ensuring clear referral routes into and out of our services, and where required, developing new routes of help & hope for guests. Special focus on links with Town Council, and Dorset Council Food Network.
7. Ensure the accurate and timely recording of all guest / client contacts on the relevant systems so that all personal files are up to date and accurate.
8. Work with the Senior Programmes Lead to identify our impact and then report on the outcomes from the work, updating key partners (esp. churches), and creatively communicating appropriate stories and insights on the work.
9. Safe working: Ensure that all activities comply with Faithworks policies and training.
10. With the Senior Programmes Lead, develop an annual strategy for this work, and agree the budget and funding plan to deliver this; regularly review finances to ensure sufficient funds; contribute to funding bids and campaigns as requested.
11. Develop future, innovative services in line with the needs of the "guests", available funding and the overall direction of Faithworks; link up with, share and learn from other foodbanks (both FW and Trussell).
12. Work with the FW Comms team to build presence on social media and other comms channels to encourage volunteering, funding and prayer.
13. Encourage, organise and offer prayer for guests where desired; seek ways to offer opportunities for people to explore the Christian faith in association with local church partners.
