Finance Manager

JOB DESCRIPTION

we are **transforming lives for good**

Transforming Lives for Good (TLG) is a national charity that helps churches to bring hope and a future for struggling children. That means getting alongside struggling children, providing practical support in and out of school and connecting with home to bring hope and a future.

All over the UK, children are struggling in school for all kinds of reasons and many families are suffering without hope. Nationally, the latest statistics show that:

- Children living in poverty are 4 times more likely to get a permanent exclusion from school
- More than two thirds of the current prison population were excluded from school
- One in six 16-24 year old 'NEETs' (those not in Education, Employment or Training) die within ten years of falling out of the system
- One million children are living in destitution - the most severe form of poverty (JRF 2023)

But there is hope.

It comes through the local church making a real difference in their community. TLG is passionate about bringing a practical approach that goes way beyond education and works to build strong connections between local churches, families and schools. At TLG, we have a big vision to make the difference in as many children and families lives as possible. We are transforming lives for good!
