MINISTRY LEAD FOR

# YOUNG ADULTS

The successful candidate will build authentic relationships with young adults; creating environments where they can explore faith, be discipled, grow community, and step into mission. You will lead both whole church and young adult focused services, grow and mentor a team, and help shape the strategic vision for this vital ministry. A gifting in worship leading is desired but not essential.

We are looking for someone with a mature and vibrant Christian faith, relevant experience with this age group, and strong interpersonal and communication skills.

If you are a dynamic and passionate leader who shares our excitement about discipleship, community, and helping 18-30s to encounter and experience Jesus – we would love to hear from you!
